“The Travis Perkins Group has trained with Paradise Computing since 2001, we regularly use their open courses in Personal Development and Application training, but more recently we have also undertaken specific bespoke projects including a Travis Perkins Performance Appraisal Training Course which proved very successful.”

“We have found their team to be flexible and professional and the trainers to be knowledgeable and approachable.”

“The facilities at Paradise are of a high standard and they always deliver a first class level of training.”

“Thank you to the team at Paradise for all your hard work so far and we look forward to continuing our relationship in future.”
